These FAQ attempt to answer questions that you might have regarding the microwave egg cookers.

The questions are all listed below. To get the answer to a question that interests you, simply click on it.

## How do I order the Get Cracking™ Microwave Egg Cookers?

To order a set of the Microwave Egg Cookers, simply print the order form available on our website at <http://eggs.ca/ContestsPromos/Default.aspx>. Fill it in and send it to the following address:

Microwave Egg Cooker Offer  
4050B Sladeview Crescent  
Mississauga, ON L5L 5Y5

Don't forget to include a cheque or money order of \$5.99 per set (tax incl.) to cover the shipping and handling fee.

Or, follow this link to pay using PayPal, a safe way to pay for the shipping and handling fee on-line.

## I feel the headings are misleading, you mention that the Egg Cookers are free, but there is actually a charge of \$5.99.

The cost of \$5.99 is a standard shipping and handling fee which actually varies depending on where you live in Canada. This fee helps to cover the costs to mail the product. We cover the actual cost of the egg cookers, as well as part of the shipping fee.

## Are the Egg Cookers available in stores?

The Get Cracking™ Egg Cookers are not available in stores, but you can order them using PayPal or by printing the order form from our website and sending a cheque or money order to "Microwave Egg Cooker Offer" for the shipping and handling fee of \$5.99 per set (tax incl.). Follow the link to view our egg cooker promotion: <http://eggs.ca/ContestsPromos/Default.aspx>.

There are however other types of microwave containers made especially for eggs and these can be found at most grocery stores or kitchen stores.

## Are the Egg Cookers recyclable?

The Egg Cookers are recyclable number 05 PP which is also referred to as T30S.

## How long will it take to ship the Egg Cookers?

Please allow 8 to 10 weeks for delivery for orders sent by mail, or, if your order is processed through PayPal (online payment), please allow 2 to 3 weeks for delivery.

We hope that you'll enjoy them and find them practical in your kitchen. Thank you for your patience, should you have any other questions or concerns, do not hesitate to contact us at <http://www.eggs.ca/AboutUs/ContactUs.aspx>.

## Can I order more than one Egg Cooker at a time?

You can order as many Egg Cookers as you like. Just make sure that quantity you would like to order is clearly stated on the order form and send a cheque or money order to "Microwave Egg Cooker Offer" for the shipping and handling costs of \$5.99 each. Follow the link for the Egg Cooker form: <http://eggs.ca/ContestsPromos/Default.aspx>.

**I've heard that plastic is unsafe in the microwave. Can you tell me what plastic the Egg Cookers are made of and if they are safe?**

The Microwave Egg Cookers were tested and approved by the Food and Drug Administration (FDA). FDA tested the cap which is made of Polypropylene homopolymer and the egg base is made of polypropylene resin.

FDA is responsible for protecting the public health by assuring the safety, efficacy, and security of human and veterinary drugs, biological products, medical devices, our nation's food supply, cosmetics, and products that emit radiation. The FDA is also responsible for advancing the public health by helping to speed innovations that make medicines and foods more effective, safer, and more affordable; and helping the public get the accurate, science-based information they need to use medicines and foods to improve their health. FDA also ensures that these products are honestly, accurately and informatively represented to the public.
